

Ebenzer  
June 22/27

Dear Mabel.

Learning of your approaching Marriage your friends of the Ebenzer United Church and Community felt that they would like to give expression to their interest in and best wishes for your future. As you have grown up amongst us you have won our affection and esteem, you have always taken your place and shown a kindly interest in everything pertaining to the welfare of our community. In our church and its activities, you have always given of your best, and we would especially mention your faithfulness and efficiency as organizer of our Church, if there is one virtue we admire it is faithfulness and that virtue has been yours

We appreciate every thing you have done  
 to brighten our service by music and  
 song. We shall indeed miss you at  
 Ebenezer but our loss will be another  
 community's gain, our prayers and  
 best wishes go with you, may every joy  
 and happiness be yours in your new  
 home. We trust you will accept this  
 gift as a small token of our love and  
 esteem, may it ever remind you of  
 the kindly interest and good will of  
 a host of friends at Ebenezer.

Signed on behalf of the Congregation  
 Dwight Potts.
